Contour Pro and Stucco Pro Tegular (Revealed Edge Trim Part #798

Above are some pictures of our adhesive strips for our tegular tiles. Typically the tiles are cut to size when placing around the border of the room. Attaching the adhesive strip to the cut side puts the lip back on.

No Need to Purchase any tiles after buying Genesis Ceiling Tiles. Engineered to last a Lifetime; No more Water Spots,

*** No more Sagging due to moisture, No more Mold, Impact Damage Resistant, Washable, Mold Proof, and 100% Water Proof.**

*** Genesis is Mold Proof - Mold problems are costly not just in remediation, it causes sickness in customers and staff reducing profit and productivity.**

*** Genesis is Bacteria Proof - Bacteria is harbored in most tiles and is another cause of illness.**

*** Genesis is Sag Proof - Sagging ceiling tiles are an eye sore and in time can fall out and cause injuries.**

*** Genesis is durable, install it once and you are done. Most other tiles will cost you 1.5 - 6 times your ceiling install over time.**

*** Genesis eliminates the Maintenance cycle, no more R&R as Genesis maintains its new appearance over time. It is simply a janitorial issue.**

*** Waterproof and Washable, Genesis is easy to clean**

*** Genesis' thickness of 5/32" for 2x2 and 3/16" for 2x4 makes it last a lifetime.**

*** Genesis Grid, Vents & Returns are rustproof and chip proof. Others can rust and chip.**

*** Each of our ceiling tiles are engineered to last a lifetime and has the proper thickness for the purpose it was designed for.**

***Genesis is Literally the last ceiling you will ever have to install.**

Imagine how much money you can save and will save after installing a Genesis Ceiling, never having to replace your ceiling ever again.
